El Porompompero - Lyrics ENG

The wheat among all the flowers
has chosen the poppy
and I choose my Dolores,
Dolores, Lolita, Lola.’

And I, I choose my Dolores
which is the, wich is the most scented flower,
Doló, Dolores, Lolita, Lola.

Porompom pón, poropo, porompom pero, peró,
poropo, porom pompero, peró,
poropo, porompom pon. (bis)

To the boys in my face
I'm gonna put them a lock
so as not to see the weird things
of this crazy brat, so as not to,
so as not to see the weird things of that,
of that crazy brat who points,
who points at you and doesn't shoot.

Your brother the yokel
mustn't come to me with laws,
he is not gypsy and I am gypsy
because I have blood of kings, that he's not,
that he's not gypsy and I am gypsy
because I have blood of kings in the
in the back of my hand.

Green was the leaf,
green was the vine,
under the bridge,
resound, resound, resound...
